Holiday 07 Newsletter

Parents,

I want to thank you for all your work and support over this past season. We are working hard as an organization to evaluate and improve our programs and offerings for the benefit of our players. We are currently offering our winter programming and have had a great response so far. Our facilities continue to improve and offer our players extra opportunities at minimal cost. Please take a moment to check out the new pictures on our website. Thank you again and I wish you and your family a Merry Christmas and Happy Holidays.
