Parent Concerns

Competitiveness vs. Tactics

Skills not delivered

Fun vs. Player Development

*The Board welcomes parent concerns; however, the following protocol should be maintained. Consult with the coaches pertaining concern, obtain feedback from the Director of Player Development, and finally bring to the Executive Board attention through the Parent Advisor, as opposed to the General Meeting.

Good of the Order:

Anthony Wayne High School soccer programs advanced to District Semifinals. The girls play on October 21 at 5 p.m. at Timberstone and the boys play on October 22 at 5 p.m. at Southview.

Parking and safety at the training facility still remains a problem. Watch out for the kids. Do not park beyond the building or in front of the barn doors.

November 17's meeting will be at the Whitehouse Administration Building.

Meeting adjourned 9:25 p.m.
