Spring 08 Newsletter

Parents,

It is hard to believe we have less than a month left in the spring season! Time seems to go by so quickly anymore. Anyway, I wanted to touch base regarding our program and where we are heading. This first year in my position has been spent trying to create new programming, modify existing programming, and administer new policies for the club. I have spent many hours watching and evaluating our players, coaches, and programs to come up with my conclusions. I have carefully weighed our strengths as an organization to see what the best fit will be for us moving forward.

We have a general meeting this Monday, May 19, 2008 at 7:30 pm. The meeting is being held at the Anthony Wayne Board Office (9565 Bucher Road, Whitehouse, OH 43571). All interested coaches for the 2008-09 season are required to be there. I would strongly encourage all parents to attend this meeting. There have been concerns with the new fundraising that the board has implemented. This will be addressed and any parent comments heard. On my end, I will be going through the changes we will be implementing in our programming for the next year. I will be discussing new team and age group formats and what all the changes mean.

For anyone unable to attend, I will be sending out the programming changes after the meeting in preparation for tryouts. I encourage everyone to contact me or stop me at the fields if you have any comments or questions. I am always looking to discuss how we do things and get parental feedback.

Thanks for your support.

Brian
