- Coaching policies discussed – coaches will receive an e-mail from Brian regarding the coaching polices to make sure coaches understand the Board expectations.
- Referee fee reconciliation form-Kelly sent the form out. This is for verification for the AWYF.
- Field Lining schedule-big problem this season. The lining schedule was sent out April 13, 2009 and the fields were not lined for the first week which was an embarrassment to the club. We will resend the striping schedule out with the boys lining Blue Creek fields 1-3 and the girls will line the AW Complex. Question regarding getting fencing at Blue Creek for lost balls. Steve will check with Todd.
- NWOYSL reminders-season started, check the website for closed fields, reschedule games with NWOYSL, watch e-mail for practice field closings also. Indoor facility is not accessible as lease expired in March.
- Referee fees should not be paid until after the game. Game canceled get referee fee back. Only certified referees get paid – this is a NW OH rule. Only referees can cancel game. Coaches/managers: there is a complaint form on the leagues website and information can be written on the game report. Copy board on any correspondence sent to the league for follow up.
- Score Cards-AWYF score cards are available. Each team should sell 10 cards. The cards are good for 2009-2010 and are \$10 each. Vendors have changed some. Return money and cards by May meeting.
