Fall 2009 Tournament List

Coaches/Managers,

I have included a list of recommended tournaments. I would prefer you go to these tournaments. If you have another one in mind, just let me know. Fishers Tournament is usually a great one to end the year with. My thought would be to make that a year end wrap up like Beaver creek was this past spring. Also, NWOYSL has changed the Festival to the end of October now. Thanks, Brian
