Anthony Wayne United Goalkeeper Training

Anthony Wayne United will be offering goalkeeper training for interested players. The sessions will be run by Lori Williams, former goalkeeper and certified goalkeeper trainer. This session will focus on advanced methods and diving. There is an additional waiver form that **MUST** be filled out **PRIOR** to the first session. Brian Billings will send the form out once you register.

This advanced session will be run at Ohio Cheer Academy. The Ohio Cheer Academy is located at 1160 Disher Drive, Waterville, OH 43566. In order to keep each player involved and connected, there is an 8-10 player cap per session depending on age. We reserve the right to cancel sessions if the numbers are not adequate. Refunds will be issued if we cancel a session.

Weather Problems: All weather cancellations will be decided by 4:00 pm on the day of the session. Cancellations will be posted on the AW United website, http://www.awsoccer.org/default_united.asp. Interested parties can also call Brian Billings to inquire about cancellations at 419-344-3704.
